be liable for cancellation of delivery or for delays in delivery insofar as these have been caused by force majeure or other events unforeseeable at the time of conclusion of the contract (e.g. operational disruptions of all kinds, difficulties in the procurement of materials or energy, transport delays, strikes, shortage of labour, energy or raw materials, official measures or the failure to deliver, incorrect delivery or late delivery by suppliers) for which we are not responsible. Insofar as such events make it considerably more difficult or impossible for us to deliver or perform and the impediment is not only of temporary duration, we shall be entitled to withdraw from the contract. In the event of hindrances of temporary duration, the delivery or service deadlines shall be extended or the delivery or service deadlines shall be postponed by the period of the hindrance plus a reasonable start-up period.
