WQD Session 2

Session | Location: National Library of Physics

11:55-12:35 **Quantum Teleportation of a Squeezed Thermal State**

Speaker

Marina Cuzminschi

12:35-13:15

Prerequisites for Artificial Intelligence Automatic Adaptive Solutions of Riemann Integrals

Speaker

Gheorghe Adam

13:15-13:35 **Quantum Many-Body Scars in Constrained Spin Models**

Speaker

Cayuss Mihaitoaia

13:35
