TRANSPORT from Bucharest-Otopeni "Henri Coanda" AIRPORT

The best options to arrive at Sheraton hotel or in the center of Bucharest are a taxi ride or taking a bus.

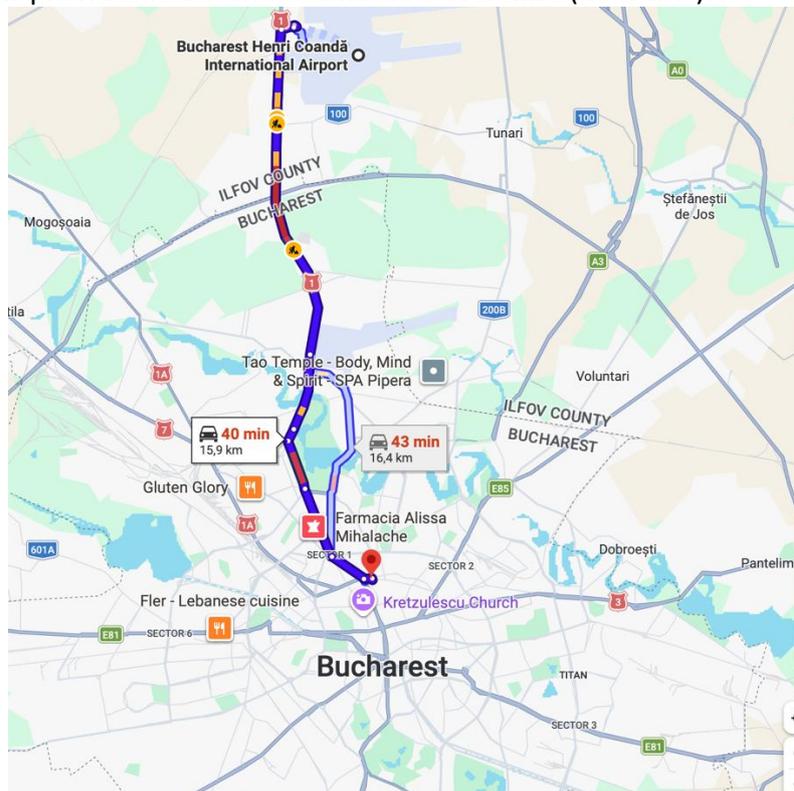

- **TAXI**

You can order a taxi from an authorized carrier or using Bolt or Uber applications.

For ordering a taxi you have access to touch screen terminals, located in the public area of the Arrivals terminal, floor 1, South side (on the left after exiting the baggage claim area). The touch screen terminals display icons that highlights the carrier's operating rates or, as the case may be, the option of paying by card.

After passengers place a taxi order, the touch screen terminal issues an order ticket containing taxi's identification elements (license plate number, registration number) and also the estimated time of arrival and operating rate. After picking up the order ticket, you should proceed to the area in front of the Arrivals terminal for boarding.

The map below provides route and estimated travel time (no traffic):

- **BUS No. 100**

Line 100 provides a fast transport link between Airport and the centre of the Bucharest. It has a 15-minute interval during the day and 30-minute interval during the night. The price of a metropolitan trip is 3 lei (approx 0.6 Euro) and is valid for 90 minutes. You can pay using contactless bank card, inside the bus.

The bus stop is located in front of the Arrivals Terminal. In order to arrive at Sheraton hotel, take the bus 100 up to bus stop named "Piata Romana".

The map below provides the route and the names of the stations for the bus line no.100

Currency exchange rates and ATMs:

Romanian currency is leu (RON). The exchange rate is approximately: 1 EURO = 5.1 RON, 1 USD = 4.32 RON.

You can pay using a credit or debit card at all stores/facilities/hotels/restaurants/etc. You also can easily find ATM machines.

VISAS:

For participants requiring a visa to enter Romania, an invitation letter might be needed. Please contact *Raluca Marginean* at raluca.marginean@nipne.ro in order to receive such invitation.
